On Thursday, March 4, 1997, laborer Tim Cambell was using a chop saw to cut 3" PVC pipe. After cutting one piece he let the saw down before the blade had stopped turning and received a 1" cut on his leg.

Campbell was sent to clinic and received 5 stitches. Doctor said he could return to normal duty. He returned to job site and was sent for a post accident drug screen.

A handwritten signature in black ink, appearing to read "Jay Hoover", written over a horizontal line.

Jay Hoover
Response Manager, Smith Technology
